All the submitted Research Papers, Case Studies, Discussion Papers, Policy Papers, Book Review has gone through a fast track review process and requires four to six weeks for review process. We accept quality research work in the field of Economics, Sociology, Psychology, Demography, Gender Studies, Governance Issues, Social Issues, Political Science, International Relations, Business Studies, Human Resource Management and all other issues regarding Development at National and International level. All submitted articles should be the original work of author and not under review process for any other publication. The main focus of Journal of Asian Development Studies (ISSN 2304-375X) is to promote research based activities in Development Studies and provide an opportunity to research community to share their research work with each other. JADS is also planning to launch a platform where researchers and scholars of Development Studies share and interact with each other for the promotion of Development Studies.

You are requested to submit your original research work at jads724@gmail.com for review process and also visit our website www.muhammadon.org for free access to online issues, news, upcoming events and for opportunities for researchers. It is also informed that there is no submission fee, but if your research work has been accepted after blind peer review process then there will be nominal processing fee of US\$ 49 charged for each accepted article. Before publication of accepted article, author should have to provide a letter that it is original work of the author and allow JADS to publish.

Kindly share this "Call for Papers" to your Friends/Colleagues those are interested and engaged in research based activities.

Thank you for your cooperation.

Best Regards,

Editorial Chief
